

GIBFIRST CORPORATION GROUP

# GIBFIRST CORPORATION GROUP

EST. 1960

GibFirst Corporation Group is a distinguished property developer with a robust emphasis on the property market in Gibraltar and a comprehensive understanding of local property legislation.

Established in 1960, GibFirst has built a strong reputation for its myriad local and international developments.

While its primary focus remains on the Rock of Gibraltar, nestled at the southern tip of the Iberian Peninsula, GibFirst has expanded its footprint to encompass properties abroad, showcasing its proficiency in property management and letting services alongside its development endeavours."

**GibFirst a leader in its market.**

Property development · Property management · Property letting

For office space availability or inquiries, contact us via phone or email.  
Our dedicated team is here to assist.
